

19th December 2024

Dear Parents/Carers

Attendance – Jump into January!

As we are already aware, attendance is a key focus for our school. Good attendance is essential for our pupils as it supports their academic achievement and social development. Regular attendance helps establish a consistent routine, ensuring children benefit from all educational opportunities and set a strong foundation for future success..12.20

As part of this strategy, this year our attendance target is 97%. Today, our attendance is at 95.9%, so we still have more to do!

Therefore, we are excited to announce our new attendance initiative, **Jump into January!** To encourage and reward excellent attendance, we have a special incentive for all our pupils for the start of the new term.

How it works:

- Every pupil who achieves 100% attendance throughout January will receive a raffle ticket. (6th January – 31st January 2025).
- At the end of the month, we will hold a raffle with **four £50 Asda Vouchers** up for grabs! We will draw the raffle on the 31st of January during our celebration assembly.

This is a fantastic opportunity for our pupils to start the new year with a commitment to regular attendance and have a chance to win a great prize. Let's make January a month of perfect attendance and set the tone for a successful year ahead!

We look forward to seeing everyone in school every day in January. Good luck to all our pupils!

Best regards,

Mrs Wilkins
