Dear Parents and Carers,

After-School Club Enrichment Offer

At Wellesley Park, our enrichment clubs are designed to provide enriching experiences that complement our academic curriculum, and we believe they offer valuable opportunities for our pupils to explore new interests and develop important skills.

Sadly, this term, we have noticed a significant decline in the number of children participating in our clubs with some clubs only have an uptake of 1 or 2 pupils. While we understand that schedules can be busy and interests may vary, the low uptake has made it challenging to sustain the staffing and resourcing needed to run our enrichment clubs.

As we look ahead to plan the enrichment club offer for next term, we may be faced with the difficult decision to cancel some of these clubs, if the participation numbers do not increase next term. We are fully committed to offering a diverse range of activities, but we need sufficient interest to make them viable.

We have attached a form for you to fill out regarding clubs and would appreciate your feedback. Additionally, we welcome any suggestions you may have for new clubs. Please complete this form by 29th November.
