Dear Parents/Carers

Pilot Project for Speech Link Multimedia Ltd

Wellesley Park Primary School have been chosen to take part in a pilot project for Speech Link Multimedia Ltd. This will involve all of our pupils whom are currently under the age of 5yrs 11months and will require them to sit with a member of staff to complete a short online assessment.

The pilot will allow the collation of information from a wide range of children and young people of all abilities, which will then facilitate the company in ensuring that their programmes are robust, and where appropriate support schools with accurately identifying children and young people at the earliest possible opportunity - this being a key focus for us at Blackdown Education Partnership.

The letter attached will give you further details.

Yours sincerely

Mrs C Owen
