18th June 2024

Dear Parents/Carers,

Sports Day Schedule 2024

We have an exciting Sports Day planned and would like to invite you to join us for what we are sure will be a fantastic event! There are a few important arrangements that we would like to share with you.

We will continue to follow our successful model to enable every child to participate in the events. Therefore, each year group will spend time at each event station, before moving onto the next. Some children will also be selected to compete and win points towards their houses. Please find attached a brief order of events and map of zones.

Timings and order of events

PE Kit

For all children, PE kits are to be worn into school. Children may wish to accessorise in their house colours which may include their T-shirt, socks, sun hat, hair bands etc. Sun cream is to be applied before school and sun hats worn if necessary. It is essential for your child to bring a named refillable water bottle.

Please note: ***In order to ensure the safety and security of all pupils, no child will be able to leave the site at any point.***

Spectating events

Each event will have an area designated for parents/carers to spectate and we ask that you only use these areas to observe each event – these will be clearly marked. We have told the children that they are not to cross the track to meet with you, therefore we ask you not to encourage your child to do so either. We thank you for your understanding and support on this matter.

End of the morning

After the final races, the children will return to their classes for lunch.

We are greatly looking forward to welcoming you and sharing what is a wonderful occasion on the school calendar.

Kind regards,

Mr Chamberlin
