Dear Parents/Carers,

Welcome to Wellesley Park Primary School

On behalf of all members of our school community, I would like to take this opportunity to welcome you and your child to Wellesley Park Primary School. We know that this is a very exciting time for children and parents alike and we very much look forward to meeting you all.

At Wellesley Park Primary School, we believe that happiness is the key to success. Our children work within a happy and caring environment where their individual needs are met and talents nurtured. Our aim is that all of our children enjoy success whilst at primary school. Therefore, we set high expectations which enable our children to reach their full potential in all aspects of the school curriculum, as well as being provided with an education appropriate to the world beyond the classroom.

On our website, we have a booklet containing some top tips to help ensure your child is ready for school. These activities would help to make sure your child is as ready as possible, to start their reception year with confidence. <https://www.wellesleyparkschool.co.uk/parents/joining-us-in-september-2024.htm>

We have a good number of arrangements planned to support your child's transition to school. Firstly, we would like to invite you to our school on 18th June at 2pm for our EYFS Parent's Information meeting in our school hall. We also have a number of stay and play activities as detailed below:

Stay and Play Dates:

25th June: 11am-12pm Teddy Bear's Picnic – meet at the EYFS gate (right of the main reception entrance).

3rd July: 2pm – 3pm, where you and your child can attend for a stay and play session – meet at the EYFS gate.

9th July: 1:30pm-2:30pm, for your child to stay and play without parents – drop off at the EYFS gate.

We will also be contacting your child's Early Years setting to ensure an informed handover of information.

I am very proud and honoured to be Headteacher at Wellesley Park. I continue to have one simple aspiration - to work with others to make the school one which all children, parents, staff, governors and the local community are deeply proud of.

I am really looking forward to working together with you, in the best interest of your child. If you require any additional information, help or support with anything, please do not hesitate to contact our school office.

With very best wishes,

Carly Wilkins
