## DAILY READING

We expect children to read 5x a week at home. Home reading is vital to help your child make progress. We will check reading diaries daily. Please bring reading books in every day to ensure we can read with children in school and also check home reading. It is important to not only read the book but to ask your child questions about what they have read to draw out their understanding and comprehension – comprehension questions can be found in the back of our Little Wandle school reading books under the 'Review: After Reading' heading.

## HOMEWORK

Weekly homework will include phonics, spelling and maths. All homework will be sent home on a Friday and will be due back in on the following Friday morning.
